Dear Parents,

Thanks to all of you who came to the assessment without levels talk which I gave several times during both parent interview evenings. I am pleased at the range of questions people felt happy to ask and the comments you shared. During those sessions I decided I would share the age related expectations with parents and I have found an excellent website that provides those details.

It is

<http://www.risingstars-uk.com/free-stuff/national-curriculum-parents-guide>

It is straight forward to print the expectations for your child's year group.

Please let me know if you need any further help.
