CELEBRATING SUCCESS!

I hope that you all had a wonderful May half term break.

The last half term was busy as usual and as always, the children have surpassed themselves in all events, both academic, sporting and in the community. They are a credit to you all and we are so very proud of them.

During May Years 2 & 6 all sat their end of key stage tests and the children were all absolutely amazing – they approached the tests calmly and confidently and we are now able to celebrate the fact that the tests have all been completed (even though the learning will continue until the end of July!). We are all really proud of the children; they have all worked SO hard.

I would like to thank the Year's 2 and 6 parents/carers for ensuring that your children were all at school on time during SATs week, ready to sit their tests—it ensured that the children all had a calm start to their day.

On 25th May the whole school took part in our second annual Prayer Day as part of the Thy Kingdom Come week of prayer.

Our music room was transformed into a tranquil, reflective area where all the children were able to spiritually reflect, read and write prayers. One area was dedicated to prayers for Refugees – one of our chosen charities this year. Every child participated eagerly and thoughtfully and I would like to thank Mrs Murton for organising the day for us all.

As you read through our newsletter you will see all the other exciting activities our children have been involved in and we still have ASBSA's Summer Fayre to look forward to on Saturday 16th June, hopefully I will see you all there.

Mrs J Whelan-Cox

SPORTS EVENTS

All Saints Benhilton are through to the final!

Further to the last update, our school Netball team have enjoyed another success... as we finished well in both Autumn and Spring leagues, we were through to the semi-final which we played on Thursday 17th May and won! We played High View School at their home ground and after storming through the first half at 2-0 up, we ended the match winning by 5-0.

Watch this space as to our next match update – the final should be played within the next couple of weeks.

Come on team All Saints, you are amazing!

Good luck in the final

Dance: Make your Move 2018 update

As mentioned previously, a dance group from ASB entered the Dance Make your move 2018 competition in London. This was in conjunction with the efforts to raise money for the British Red cross - to help change the lives of people in crisis.

After spending a busy day at the theatre with walk-throughs, sound & visual checks and dress rehearsals our team performed their dance with poise and grace and absolutely loving every minute of it. The theme of the event was the work of the British Red Cross - we identified the plight of refugees and their journey they undertake to find a safe haven. Our dance won "Best Story Telling" category, something we are very proud of.

Dance, Dance, Dance – Musicals Festival at Greenshaw High School

On Tuesday 1st may, we attended a Year 4 Dance festival hosted by Greenshaw High School. We continue our good relationship with Greenshaw and this year the dance festival theme was 'Musicals'. We performed a dance to a track from the musical Mamma Mia – Waterloo by ABBA! After we rocked away, the GHS Sports leaders taught us a dance from the musical Hairspray. As usual a fabulous time was had by all!

TWITTER

We are very proud of this young man for being selected for the Sutton Borough Schools Under 11s football team. This a huge achievement and we wish him every success.

Mr Owens and Mrs Lupoli are now Google Certified Educators after sitting a 3 hour exam during half term. We are very proud to be a Google Champion School and having two certified educators will help us on our Google journey.

Year 1 and the Hobgoblin Theatre Company.

Year 3 visit to Wyevale Garden Centre

As part of our science topic about plants, we were fortunate enough to visit Wyevale Garden Centre. This gave us the chance to explore our learning outside the classroom, in particular the different types of plants and the part they play in life cycles.

ASB CHURCH

Sunday School will start on the 9th September and follow school term dates.

Family Mass will be on the afternoon of the 7th October (and the afternoon of the first Sunday of every month thereafter).

More details to follow.

Everyone is welcome and the Sunday school will be split into two age groups 3-7 and 8-11.

ELM'S WHEEL DAY

In Elm class we were lucky to be able to bring in our wheels to show off our skills in the playground. We wrote recounts of our special day. Look at the fun we had!

Thy Kingdom Come

On Friday 18th May the whole school took part in Thy Kingdom Come . Thy Kingdom Come is a global wave prayer that takes place from Ascension day through to Pentecost. The children all had the opportunity to experience the calm and tranquil prayer space. They had time to think quietly and pray for their family and friends, their school community, the world, refugees, and the environment. The children also enjoyed getting involved in some prayer activities in their classroom and that these included making prayer streamers, a teddy prayer picnic, making prayer crosses and prayer hands. A quiet, reflective and thoughtful day was enjoyed by everyone.
