

ALL SAINTS BENHILTON NEWSLETTER

July 20, 2018

After what has been another very busy year, the end of term is suddenly upon us! The whole school community has worked extremely hard to ensure another fantastic year of learning, great progress, super EYFS, Year 2 and Year 6 results and lots of fun along the way.

The past couple of weeks have seen several wonderful celebratory events which have showcased some of the amazing talents our children have, in science, sporting, performing as well as spirituality and the ability to have quiet times of reflection. The children really are so talented and we are all very proud of them.

Congratulations also go to St Lawrence who won the

Termly House Points Trophy.

*I would like to thank all of you for your support this year, which is shown in so many ways. On behalf of all of the staff and governors, I wish you a wonderful summer holiday with your children. We look forward to seeing you all for another great school year on **Tuesday 4th September.***

Justine Whelan-Cox

Finally, it is time to bid a very fond farewell to some wonderful staff—to Mrs Collingwood, Mrs Jones, Mrs Watts, Miss Hayter and Mrs Henry, we thank them for all they have achieved for the school and with so many children over the years and wish them the very best of luck.

Ms Blaskett is also starting maternity leave over the summer and we wish her all our best as she waits for her little bundle to arrive – we can't wait to meet him.

I would also like to take this opportunity to clarify that Mrs Webb (Year 5) is not leaving us but will be doing PPA cover in years 3 and 5 next academic year.

Last, but not least, we wish our Year 6, 2018, a wonderful future in their new schools—you have worked incredibly hard this year and we are all so proud of you— good luck and God bless you all.

Attendance

Our current attendance figure for w/c 17th July is: 95.8%

Our target attendance figure is 96.4%

DANCE SHACK

Philip and Lucinda Alexandrou performed at the Leatherhead Theatre on Saturday 21 and Sunday 22 June in front of hundreds of people. This was in a show called 'Hollywood' by the dance school 'Dance Shack'. Philip did a street dance act and Lucinda musical theatre. It is run by people with 'Westend' experience and was absolutely amazing.

Poplar Class Pirate Ships

Science fair-Y6

Written By Toby

The Science fair was fun for all years even the adults enjoyed it (I think). The Slime was very popular with the adults and all years as Slime is very satisfying and I think all the people were mesmerised with all the creative and different colours of the slime they made and all the different textures.

As well as that, Philip and Rachael's stall was quite popular as they experimented with acids and people were interested in what the acids neutrals and Alkaline would do to the special paper. As well as that the water moving from cup to cup and created rainbow colours was another crowd pleaser.

Most children from y2,y3,y4,y5 enjoyed Oobleck,slime and fun and interactive projects the slime and Oobleck were popular because they were able to feel squish and touch both and it looked like they enjoyed the science fair.

The voting was very close for the science fair but the winners are as follows:

- Best Scientists- Caitlin and Rithiksa (Walking Water)
- Most Unique Science Project- Lilly and Murtaza (Guess the smell without sight)
- Most Creative Display- Abi and Olivia P (Does the slime change when different ingredients are added?)
- Overall Favourite Science Project- Phoebe and Josie (What happens to slime with two different activators in water for an hour?)

Beech classes experience with their Cinderella & Rockerfella production

Written by Sofia and Emily

How it all started

Beech class was super excited when they found out they were doing Cinderella & Rockerfella for their production.

It all started at the Isle Of Wight when most of us auditioned for some of the roles. When we got back to school (after the Isle Of Wight), we proceeded the audition for the play. The majority of us(well, all of us) were so hyped when we got our auditioned character or characters. We all worked together and collaborated through the whole journey of the play and never gave up even if we were feeling down.

Best Moments

The first time that we actually presented our show to some of the younger children (ks1) they all burst out laughing as soon as they saw the two ugly step sisters (Philip and Taylor) . everyone also started laughing when they saw the Offstage Inspector (Reece). he was hilarious! All his poses and speeches were incredibly funny especially how he expresses himself on the stage. It was probably one of the BEST moments for all of us. We all really enjoyed helping with the props, getting the costumes sorted and learning all the songs. And on Monday night we performed it to our parents . It was our first real performance. We think the parents really enjoyed watching it. They especially laughed at the ugly sisters.

We had a great time doing the production last week for our parents on Monday and Thursday night and to the school throughout the week. We hope everyone enjoyed it as much as us. Thank you to everyone who came and cheered us on.

Our memories at All Saints Benhilton

Written By Erin W

Beech Class have thoroughly enjoyed their time at All Saints Benhilton. We're really sad that we're leaving, but will crave the special memories that we've made these past seven years. Our teachers have made us have the best time possible here at primary school and have made us laugh even in stressful times. We would love to share some memories with you:

In year one, the children in Oak class set up a pretend "Bakery" and sold products to our parents using real money. It was so fun and dealing with real money made us feel super grown-up.

Whilst in year two, we dressed up as pirates to celebrate our topic. We even had a treasure hunt! The teachers set up many other activities to do with pirates such as making hand-sewn puppets with our mums and dads. We remember that the class were walking around waving their puppets proudly in each other's faces! It was so fun.

In years four, five and six, we have been on residential trips. Our year four trip was "Juniper Hall." We had a bucket-load of fun. Our favourite activity has to have been den building. We got splashed with water and the people who hadn't made them waterproof enough got absolutely soaked!

Our year five trip, "Carrot Wood" consisted of high/low ropes, abseiling and archery. We slept over for two nights instead of one at "Juniper Hall." That meant it was double the nights, double the fun!

The Isle Of Wight trip in year six was by far our favourite of all. We slept over for four long nights and as you probably guessed, the fun was endless. We also had the auditions for our end of year production (Cinderella & Rockerfella). Let's just say some of them were very *interesting*.

Now that the year is coming to a close, we wanted to say a big thank you to our teachers and all the staff who have been a part of our All Saints journey. We've really enjoyed our time at primary school. Although we are sad to leave, we are looking forward to high school very much. Goodbye, All Saints Benhilton.

STARS OF THE WEEK

Reception

Elm

8/6/18 – James W-J
 15/6/18 – Simeon B
 22/6/18 – Jayden A-M
 29/6/18 – Renee-Lou W

Ash

8/6/18 – Hazel W
 15/6/18 – Corey P
 22/6/18 – Ethan C
 29/6/18 – Federico R

Year 1

Oak

8/6/18 – Rosy I
 15/6/18 – Harry L
 22/6/18 – Matthew E
 29/6/18 – Ethan A

Holly

8/6/18 – Osama A
 15/6/18 – Frankie K-W
 22/6/18 – Harry F
 29/6/18 – Davishen S
