Headteacher

Happy Holidays!

After what has been a very busy year, the end of term is suddenly upon us! The whole school community has worked extremely hard to ensure another fantastic year of learning, great progress, super Year 6 results and lots of fun along the way.

The past couple of weeks have seen several wonderful celebratory events which have showcased some of the amazing talents our children have, in music, dancing, acting, sports, writing, mathematics and science; as well as spirituality and the ability to have quiet times of reflection. The children really are so talented and we are all very proud of them.

I would like to thank all of you for your support this year, which is shown in so many ways. On behalf of all of the staff and governors, I wish you a wonderful summer holiday with your children. We look forward to seeing you all for another great school year on Tuesday 5th September.

Mrs J Whelan-Cox

congratulations

Congratulations to James Darby Year 5 who earlier this month was the only diver to represent Sutton in The London Youth Games at Crystal Palace.

He came 4th out of 14 (9-14yrs group) and was behind the British champions.

We are very proud of you!

Holly and Oak class were raising money for the Diamond Riding Centre as we had recently been on a trip there. We took part in an obstacle course where we had to complete the Trim Trail, crawl through sheets and material, dribble footballs around cones, bounce balls on rackets around cones, jump in and out of hoops and then do some hurdles. We managed to raise a staggering **£459.87** which is amazing!!! Thank you all so much for your support, this money will be greatly appreciated by the Diamond Riding Centre.

Matilda

On Wednesday the 28th June, the Yrs 5/6 Book Club went on an exciting trip to see the stage version of Roald Dahl's "Matilda", at the Cambridge Theatre in London. After an early lunch (a lovely roast!) we travelled by train/tube and arrived at the Theatre in Soho in time for the matinee performance.

Matilda tells us the story of a young girl (Matilda), left to her own devices every day by her parents and the adventures that befall her.

Both the performance and the set were amazing! The set was so detailed; made up of building blocks and scrabble pieces spelling out keywords from the show - it was really beautiful. Set as a musical, the performance included lots of songs, which helped retell the story.

The main characters were excellent, especially the young actress who played Matilda and Miss Trunchbull (played by a man!) was as scary as in the book.

It is impossible for me to pick a favourite moment, as I loved it all (as did the rest of Book Club).

A big thank you to Ms Farley and Miss Blaskett for arranging it and taking us!

More recently, we had the production. Hats off to you all... who knew Beech class 2017 had so many stars. Our final week went by so fast but luckily we were able to fit a few last memories: science fair, teacher tea party and leaver's service.

I'm so proud of each and everyone of you, you will forever be in my heart and memories. Good luck with your future endeavours and have a brilliant summer.

Ms Farley

End of Primary School

Wow Beech class I can't believe the time has come to bid you farewell. The time has flown so fast, I cannot believe you're already off to high school. This is an important journey which you must embark on, but remember I will always be here for you whenever you need me.

This past half term has been a bit of a whirlwind. We had the Isle of Wight trip and what exciting memories came with that. Then we had the Beech Bonanza and what a success! As a school we raised £315. You could tell a lot of effort and planning went into that day to make it such a spectacular event.
