

# ALL SAINTS BENHILTON NEWSLETTER

April 30, 2018

*As this is our first Newsletter of the Summer Term, I would like to take the opportunity to welcome you all back—I hope you all enjoyed a happy and Holy Easter and had fun spending time with your families.*

*I cannot write in this newsletter and not mention our celebration of Easter services. Foundation Stage and KS 1 reminded us of the meaning of Easter through a range of readings and beautiful singing. In contrast KS2 presented the brutal reality of the Easter story through a highly emotive stations of the cross. As always the children exceeded themselves and I am sure you would agree made us very proud.*

*For those of you who were able to join us at one or both services it was an opportunity for the school family to welcome Father David who led us in prayer and who provided us with a blessing.*

*I would like to take this opportunity to thank you for your generous donations throughout Lent and to inform you that the total amount collected for the Bishop's Lent Appeal was £492.50.*

*As always the children have returned to school with renewed energy and there is a positive atmosphere with wonderful learning taking place which is a superb start to the term.*

*Mrs Justine Whelan-Cox*

- We will be holding a Secondary Transfer meeting for Year 5 parents on **Thursday 7<sup>th</sup> June 2018 at 2:30pm.**

In this meeting we will provide guidance on the application process, dates of open days and deadlines. More details to follow.

- SAFETY NOTICE – once again it has been brought to my attention that some children are being dropped off by adults who are parking on the zigzag lines and allowing the children get out alone. This is potentially very dangerous and I ask that you find a safe parking spot and escort your child out of the car and into school.
- If you drop your child/ren off at the classroom in the morning please drop them promptly so that you can leave through the school gates before they are locked. Please remember that we want our school to be as secure as it can be so no one should be passing through the school building at that time.

Thank you in advance for your co-operation.

## Attendance

**Our current attendance figure for w/c 23<sup>rd</sup> April is: 95.6%**

**Our target attendance figure is 96.4%**

## Brooklands Motor Museum

Reception classes enjoyed a sunny day exploring Brooklands motor museum. They had great fun driving the pedal cars and planes. They got to experience what it would be like to travel on the Sultan of Brunei's plane and it was very posh! They were able to become formula 1 drivers and this very exciting. They helped to build a plane and explored all the old cars and bikes. They enjoyed looking at the different buses in the bus museum and even found an old 213 bus going to Sutton. Everyone had an amazing time!

## Hazel Class

Hazel have been working hard this week finding fractions of an amount! Some smarties also made an appearance to help us with your work!

Alexandra took part in Tae Kwon do Easter camp during the holidays and was awarded a Gold medal for her patterns, a trophy for the most improved student in her category and gained her green belt after a lot of hard work!

## All Saints Benhilton School Netball Update

We have enjoyed a very successful year of netball, not only because our school netball team won 5 of their 7 matches, but also because the team work, respect and spirit they have shown throughout the year has been outstanding.

Here they are after their last match, a round two cup match, enjoying the sunshine and their moment to shine.

## Hockey Competition

In February, eleven of our Year 5 pupils competed in a Quick Sticks Hockey tournament organised by the Sutton School Sports Partnership and hosted by Nonsuch Girls School in Cheam. We entered the festival section of the event where the afternoon began with skill sessions led by Nonsuch Girls & Carshalton Boys Sport leaders and then we participated in a carousel of hockey related activities followed by a tournament.

Our All Saints A team were very successful, coming top in their group! Much fun was had by all.

Well done to all our participants.

Here they are in action!

## Keysteps Gymnastics Competition Yrs 3&4 and Yrs 5&6 - Wednesday 25<sup>th</sup> April 2018

We, once again, competed in the Keysteps Gymnastic Competition offered by the Sutton School Sport Partnership which is a pathway to the London Youth Games. This is the 4th year we have attended this event and, as always, the standard of gymnastics was amazing to see and be a part of. Twelve schools competed in the Year 3&4 event and Year 5 & 6 event. The competition consisted of a floor routine, body management routine and a vault. Points accumulated and an overall score was given as a team. Also, as individuals in Year 3/4 and in Year 5/6, 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> places were awarded. All of our pupils worked so hard and were amazing. In fact, so much so that they were awarded a special certificate for showing respect for others. Wow, well done our team!

Here they all are in our school leotards. One of our pupils received an individual award: Sofia-Grace (Yr4) came 3<sup>rd</sup> overall – congratulations Sofia.

## Dance: Make your Move 2018

Dance Make your move 2018 is here and we have entered this year! Being one of the many amazing groups of young people committed to dance and fundraising on behalf of the Red Cross - to help change the lives of people in crisis.

We will be performing at the Greenwood Theatre in London on Saturday 19<sup>th</sup> May 2018.

I am sure you will join us in wishing our All Saints Benilton dancers all the best and good luck.

Here is our dance team:

*Step to success!*

### **On Friday 4th May 2018 we are holding a Sponsored Step:**

As part of our learning and understanding about refugees and the plight they may face, we are going to have a sponsored step to raise money and awareness. We are going to be raising money for the British Red Cross and supporting the work they do to help to reunite refugee families.

We are going to think about the long journey that many refugees face by completing a sponsored step. This will involve stepping up and down onto a step. One step will be counted as a complete step up and a step back down. Every child will take part and complete a minimum of 20 steps each.

Please could you support your child and help them to collect as many sponsors as they can (see the attached sponsor form on the email previously sent).

Please return your sponsor form and money to your class teacher or the school office by Friday 11th May 2018.

Please print the sponsorship form (provided by The British Red Cross) that has been already emailed to you... then find someone to sponsor your child/ren!

Thank you!
