22nd May 2013

Dear Parents,

A very big thank you to everyone who supported the May Fair on Saturday – either helping on a stall or spending your money!! It was a lovely day and **we made a profit of just over £2,500**. I would like to thank the ASBSA committee who put so much time and effort into making sure it was such a success.

INSET - This Friday school is closed for Inservice training and next week is the half term holiday. Let's hope the weather warms up and the sun shines so that the children can get out and enjoy their week. We look forward to seeing them all back on Monday 3rd June.

This week, the year 2 pupils have made a start on their end of Key Stage SATs and they will continue these in the first two weeks after half term. Year 6 successfully completed their end of Key stage SATs, last week, and now they are looking forward to their week on the Isle of Wight.

Medication – please remember that, in school, we can only administer medicines prescribed by your doctor. If your child requires medicine, please complete a permission form at the office, for each medicine. If you think we may have an inhaler, or other medication, that is out of date could you please collect it from the office. Many thanks.

Pick up times - it has come to my attention that we often have children waiting to be collected after school and after clubs – some on a regular basis. If you get held up and know that you are going to be late, please telephone the school, so that we can reassure the children. If it is going to be a regular occurrence, please make other arrangements for your children to be collected on time.

Records of Achievement – the end of year report on your child's achievements this year will be coming out to parents on Thursday 11th July. If there is anything from the report that you are unsure of and would like to discuss with the class teacher, you will be able to make an appointment to see them on Monday 15th July, between 4pm and 6pm.

Questionnaires – thank you to everyone who returned their questionnaire, which has given me a picture of your views of the school. I will analyse them and publish the results on the website. Some parents have added comments to their questionnaire, and if you would like to discuss any of those comments with me, I would be very pleased to meet with you.

Diary Dates – please see the list on the next page, which will keep you up to date with events coming up in the next half term.

Yours sincerely,

R.P. Sutton
