

All Saints Benhilton

Code of Conduct for Governors

All Saints Benhilton is a Church of England School whose mission focuses on providing an education of the highest possible standard in the context of Christian faith, worship and morality, reflecting the school's foundation. The Headteacher and Governing Body of All Saints Benhilton C.of E. Primary School take very seriously their responsibilities and recognise that educating children is a process that involves partnership between parents, the Headteacher, staff and the wider school community including the Governing Body.

As a partnership, the governors understand the importance of a good working relationship to equip children with the necessary skills for adulthood. We continue to welcome and encourage parents/carers to participate fully in the life of our school and their child's education, and governors to work in supportive partnership with the school.

The governing body accepts responsibility for the policies and procedures of the school and for ensuring that they are regularly reviewed in accordance with its strategic role. The governing body recognizes that the headteacher has

Luke 10:37 'Go and do likewise'

responsibility for the internal organisation, day-to-day management and control of the school.

The purpose of the Governor Code of Conduct is to provide a common understanding of broad principles and procedures by which the Governing Body and individual governors will operate.
